

CAMP DISCOVERY
A DIVISION OF
OUUMC PRESCHOOL PROGRAMS
APRIL 12, 2013

Dear Parents,

Camp Discovery, for children who have completed a three- or four-year-old preschool program or kindergarten, was a huge hit last year with students, parents and with camp leaders. The teachers and I have already begun working on exciting plans for our 2013 day-campers!

While *Camp Discovery* will be open to the community if space allows, first priority and a discounted price are offered to present Discovery Day School students and graduates and to OUUMC member families. Space is limited and, based on the expressed interest of our former campers, I expect the slots to fill quickly.

Priority registrants must reserve placement for *Camp Discovery* by noon on May 1, 2013. However, please note that in order to provide our day campers with the best possible camp experiences, enrollment must be limited. *Camp Discovery* may fill before all interested priority students apply so please enroll early.

Please read the FAQs below. We're going to have a blast!

What is Camp Discovery?

It's an enrichment day camp sponsored by OUUMC Preschool Programs for children three to six years old and currently enrolled in a three-year-old, four-year-old or kindergarten program.

When is Camp Discovery offered?

One-week sessions will be held June 3-7 and June 17-21. Children arrive at 8:45 and be picked up by 12:15. Activities and themes will differ each week. Campers may apply for one or both weeks.

What will the day campers do?

Our summer theme, *Imagine That*, will include hands-on, creative activities incorporating science experiments, nature, outdoor / environmental art, music, sports, field trips and much more.

Who will teach Camp Discovery?

Our Camp Leaders will be Susan Thomason, Tracie Riddle, Cindy Summerlin, Emma Flautt, Shannon McLaughlin, and Monica Lee-Burwell. Each Camp Leader will facilitate a camp activity, with the campers rotating daily through the activity centers. I will serve as Camp Director.

What is the cost of Camp Discovery?

Our priority registrant fee is \$135 per week or \$260 for both weeks. Non-priority registrants will pay \$160 per week or \$300 for two weeks, provided space is available. This fee includes all snacks and supplies, as well as a Camp Discovery t-shirt.

How do I register my child for Camp Discovery?

- 1) Complete the Camp Discovery enrollment application available online at www.ouumc.org or in the preschool office.

- 2) Attach an updated Immunization Form 121 unless your child is a current DDS student.
- 3) Include the non-refundable Camp Discovery fee. Checks must be dated May 1, 2013 and payable to “*OUUMC Preschool Programs*”. Checks will be deposited only if your child receives placement for Camp Discovery, not for students on the waiting list. Once your child has been accepted, camp fees are non-refundable.

If you have questions, please call me at 234-3371 or email me at dds@ouumc.org.

The Camp Leaders and I are excited about Camp Discovery’s *Imagine That!* and the opportunity to enrich our summer exploring and learning with your children!

Sincerely,

Susan S. Phillips
Director, OUUMC Preschool Programs
