

HURRICANE HARVEY RELIEF KITS

These items are immediately needed! Please return them to the Activities Lobby by **Sunday, September 17.**

IMPORTANT NOTES

- All items on the list below make **ONE** cleaning kit. Please purchase enough of each item for each kit you donate.
- Place all items in a 5-gallon bucket with a lid (like a Home Depot bucket).
- **PLEASE PURCHASE REQUESTED ITEMS ONLY, AND MAKE SURE ALL SIZES AND QUANTITIES ARE CORRECT.** This is highly important! The inclination is to provide more than what is needed, but it's important that all buckets are packed equally for two reasons:
 - In desperate situations such as these, tempers and tensions easily rise. We want all buckets to be equal to help prevent upsetting situations.
 - These sizes and quantities fit neatly in a 5-gallon bucket with the lid on for easy transportation and distribution. Purchasing larger items or more of something means they won't fit properly.
 - Brand does not matter. It can be a brand name, store brand, or generic.
- All items must be new.
- All cleaning agents must be liquid and in plastic containers. **No powders, please.**
- If you are unable to find all of the items to complete a kit, please make a list of missing items.
- Estimated cost (depending on retailer and brands) is \$30-\$50.

Place all liquid items in the bucket first. Place remaining items in the bucket, fitting them around and between the liquid items. Sponges, scouring pads, clothespins, and trash bags can be separated in order to fit all of the items in the bucket. Ensure the lid is closed securely.
